**Fall Workshops**

**Introduction to Non-Objective Art:**

**Drawing & Painting** Class ID #1443  
**Gabriella Soraci**  
 Have you ever wondered what makes art non-objective or abstract? This workshop breaks down the barrier often created around the word "abstraction," and introduces you to the basic building blocks of visual language. Focusing on traditional elements of drawing and painting, such as shape, line, pattern, color, texture, and composition, you will explore the artistic world of abstraction as you learn to draw and paint in a non-objective style. In a creative environment and with a variety of artistic skills, you are sure to create your own modern masterpieces.
