

Brave Layers Art Journal Materials List

Instructor: Misty Gage

Student Supply List

Students will use the following supplies throughout the eight-week course. They do not need a large assortment of every item. For supplies such as paint colors, stamps, stencils, papers, and mark-making tools, a small selection of materials they enjoy using is plenty.

- 6 grocery-size paper bags
- 12" paper trimmer
- Scissors
- Embroidery floss
- Old books and magazines (Raid your supplies or thrift these!)
- A selection of cardstock
- White tissue paper
- Printer paper
- A selection of coordinating focal images such as faces, birds, botanicals, butterflies, etc. Black-and-white images also work well.
- White and a small selection of additional acrylic paint colors
- Matte medium
- A small selection of colored pencils
- A small selection of paint pens, markers, and/or gel pens (Raid your supplies or thrift these!)
- A small selection of mark-making tools to experiment with: bubble wrap, old lids, jars, cardboard, produce bags, etc. (Raid your kitchens, bathrooms and trash!)
- A small selection of StazOn ink pads
- A small selection of stamps
- A small selection of word and/or phrase stamps
- A small selection of stencils
- Paintbrushes
- Round foam applicator
- Palette knife
- Heat gun

A Note About Supplies

Mixed media is all about experimenting, layering, and discovering what materials you enjoy using. There is no need to purchase a large collection of colors, stamps, stencils, or specialty tools for this course. A small selection of materials that appeal to you will give you plenty to work with throughout our eight weeks together.
